THIS IS NOT A NEW SALE—

2809 Shorthorn bulls and females have been sold in these Mid-Kansas Sales to buyers from California on the west coast to Texas on the Gulf, and to the Dakotas on the north. Here's one of your finest opportunities to join the continually growing list of satisfied customers of Mid-Kansas bulls and females.

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

-MANAGER'S MESSAGE-

This Mid-Kansas Shorthorn Sale will not be as large in numbers because of many sales through private treaty. I have seen the majority the cattle offered in this sale. These cattle will be as good or better than any offering ever sold in Salina.

The demand for Shorthorn bulls is increasing. More commercial men are using Shorthorn bulls for cross-breeding. A large percent of our bulls that we sold last spring in this Mid-Kansas sale were used for cross-breeding. The long range future looks good for the beef business. The best way for any breeder, purebred or commercial, to make his cow herd more profitable is to use a better bull. Salina is always a good place to buy Shorthorn or Polled Shorthorn cattle.

We have strong aged bulls ready for heavy service in this sale. We have some outstanding cow and calf pairs; also some outstanding heifers for 4-H or FFA projects. If you are in need of some good Shorthorn or Polled Shorthorn cattle, plan to be in Salina, Thursday, April 13, 1972.

If you cannot attend this sale, you may phone or send mail bids to the sale manager, or any of the representatives. To contact sale manager for any late message or bids, phone sale barn at Fairgrounds, 913-823-9738.

Plan to attend the informal Banquet, Wednesday, April 12, 7:00 p.m., Holiday Inn, on the 81 By-Pass west of Salina. This general get-together is open to all. Come as you are. If you have not made reservations, come anyway.

For other information about the sale, contact:
